

Mission Statement/Philosophy

We intend to provide a safe, supportive environment that is dedicated to forming young children in the image of God.

We intend to provide a safe employment of staff that has been chosen with the children's best interest at heart.

We intend to provide early childhood education in accordance with the laws of the state of Iowa.

We intend to create an academically stimulating environment with a constant emphasis on the Christian fundamentals incorporated in everything we do.

We intend to make all families of this community welcome to participate in our childcare program as long as there are available spots in our program. This center will not discriminate in anyway.
